2021

Welcome

It's our absolute pleasure to warmly welcome you into our family at MSJ Productions and to the TiniStars department. Our team is always thrilled to see some new faces join our community. We have created this one-stop handbook to hopefully shed some light on how things will run throughout the year as well as answer a lot of queries you may have before you begin. While we would love you to take the time to read this information carefully, don't forget that our friendly office staff are always here to help and will happily answer any queries you may have. Nothing is too big or too small, we promise! ☺

Mission + Vision

To start us off, it's important to us at MSJ that all members of our team share our vision, our purpose and the philosophy that encompasses everything we do both in and outside of our classes. This is a vision that is shared and demonstrated by the directors, teachers and staff members at our studio and it is the driving force behind every interaction with our students and their families.

MSJ Productions is a place where kids of all ages, shapes and sizes learn to dance, sing and perform. This is a studio where creativity, individuality and self-expression is encouraged and has a community of teachers, students and families who are passionate about performing arts. Our goal is to create a positive and happy experience for all of our students. We strive to nurture and develop talent, celebrate the achievements of all students and inspire a love and appreciation of all styles of dance and the arts. We are committed to providing a safe and positive environment in which all students can feel empowered, comfortable and free to express themselves.

For the whole family: The whole family can enjoy classes by participating in activities at MSJ. We offer vocal tuition, dance, private lessons, musical theatre, boys only classes, acrobatics and pre school programs.

Be part of a community: You can socialise, have fun, and meet new friends and parents

Two streams + perfect balance: We have the best of both worlds at MSJ - classes to suit your child's skill level, schedule, personality and commitment. Students are encouraged to come just for fun or to train at an elite level with added competitions, performances and speciality programs.

We are passionate about spreading the joy of dance and performing arts. We want them to grow up with a love of dance and singing and always have a second place that they can call home at MSJ.

Our special show

Our Ready Set Dance classes take part in our special MSJ Productions and TiniStars concert held late November/early December. Each class performs in one Sunday morning concert at 9am or 11am. Its a wonderful way to introduce our little ones to the concert experience in a fun, supporting and encouraging way. The show is focused on our 18mths-6year old performers and is usually around 1 hour 15mins long.

We are so proud to be able to offer such a special and exclusive experience to our little ones!

Of course it is never compulsory to participate but we really do believe in the confidence building experience of a show such as this!
