

RECORDINGS FOR CONCERT

ADDRESS: WITZEND RECORDING STUDIO - U1, 4 Milson Place, O'Connor (first unit on your left as you turn into Milson Place)

Hi!!

As the concert is not far away, we have decided it is now time to get some of the vocal performances recorded to make them sound extra good on the night, but also to give the students valuable time in a professional recording studio at a great price. It is important that everyone comes so that your voice is heard with the rest. The recording will be used on the night of the concert and each student will get to keep a copy. If you cannot make it please email us asap though we regret we are unable to move the whole class recording. As you can imagine there are lots of classes to organise and fit in around studio and teacher commitments too! Costs for recordings are as follows and each student will receive a copy of all their recordings to keep!

Per student: One recording session - \$15, Two recording sessions - \$25 Add \$5 for each extra class you need to record for if you are in more than three singing classes.

Parents are asked to drop off and pick up as it will not be possible to watch the recording time as there is not much room and the sound engineer needs to concentrate to make sure everyone sounds their best. We will try to keep things running on schedule but please allow for delays. Also if you are waiting outside - please wait in car as there are other businesses around so it is very distracting for parents/students to be talking outside when they are trying to work.

Please pay money into MSJ Costume Account (BSB 016016 ACC 389702624) no later than Wed 22nd October or pay in an envelope at reception or to your teacher (if you pay to your teacher please also email us after so we can make note). It is too busy to accept money at the recording studio. Thank you for your help in this matter.

If any parent could volunteer to burn music for a small group or their class, please let us know as its very time consuming to copy music for everyone. Any help in this matter would be greatly appreciated ☺
